Treasure Reports:

\$500.00 dispersed to the Field Hockey Team for the 08 Hockomock Championship win. Treasure reviewed what funds are available to the Boosters. Lottery check was sent. Treasurer will re invoice anyone who has outstanding calendar invoices from last year. Individual sponsors were discussed (Secretary chose not to name names). Treasurer indicated that he did not have firm records available at meeting time of who had verses who had not paid for last years calendar.

Athletic Director Reports:

Hall of Fame made \$957.36. Steve indicated that the girls hockey team wanted the Boosters to contribute via an ad for the upcoming brochure. The Boosters voted and agreed upon a \$100.00 donation. It was determined that we would make the same donation to others team if requested. Steve informed us that the Girls Varsity Jackets have arrived..... And the boys are on the way. Discussion regarding the Thanksgiving concession stand and what we would provide. Coach McInnis indicated that he wanted to have a concession stand during the basketball season. Steve informed him that he could do so in the Cafeteria and Patti volunteered to help guide him through the process. Steve is trying to get all the schedules for the calendar and is having a tough time with swimming he will continue to work on this.

Coach McInnis informed the group that the basketball games will be broadcast on channel 11.70 AM and all the sponsorships are filled. All games will be videotaped.

Jen Burks/Calendar:

Jen informed us that four spots remain available on the Winter Calendar the group will work to obtain four more sponsors. Patti and Sue both have individuals willing to make contributions but do not wish to publish artwork on the calendar.

Concessions: Patti informed us that she was able to make contact with Kathi Meyer and deliver the Boosters Concession donation. Patti recapped her meeting with Kathi and discussed how touched Kathi was with the donation. She wanted Patti to deliver a message to the group that the donation would be used for a good cause. See prior notes from AD report.

Membership:

Sheri is ready with the mailing of the Boosters Club membership forms and stickers after stuffing envelopes with some wonderful volunteers (kids). There appeared to be some hesitation on the mailing of these items, but it was voted on at a prior meeting and it was time to move ahead. Mailing is going out immediately.

Dodgeball:

Cathy Pimental could not attend the meeting and Patti reported that \$900.00 dollars was made less the \$400.00 for t-shirts, leaving us with a \$500.00 profit. The board determined that another date needed to be set for the elementary age kids to participate in a Dodgeball tournament. Dates will be reviewed to make sure they do not interfere with the Rabbit Ramble.

Since the Varsity Jackets have arrived, I just wanted to thank all involved in this project. They look great and the kids are wearing them with great **PRIDE**.
