

King Philip Boosters Minutes for December 10, 2008 Meeting

Attendance: Patti Akrouche, Donnie Owen, Tom Howard, Tom Fair, Cathy Pimental, Steve Schairer, Mary Bushway came late

Minutes Taken By: Patti Akrouche

Meeting was held in the teachers lounge - opened at 7:40 and ended at 8:50

Novembers Minutes: Reviewed and accepted

Treasures Report: Novembers report reviewed and accepted.
The current balance in the account as of 12/10/08 is \$16,774.93.
The first order of varsity jackets have been paid for.
We received over \$1400.00 in new memberships from the mailing.
We need to continue to bring in funds to be able to cover the future jacket orders.

Athletic Director: Steve said the varsity jackets have been given to the student athletes that placed an order and they all seem pleased, the athletes are wearing them.
Steve plans on placing another order in January and a third order in the spring.
All winter sports are starting this week.

Concession Stand: Patti turned in \$83.00 for funds received at the concession stand for the new KP stickers. Also turned in was \$3206.22 which was the money from the concession stand. The concession stand was given \$800.00 in the beginning of the season so the profit for the season was \$2406.22. It was agreed upon earlier in the year that the teams that helped out in the concession stand would get a portion of the profit. We voted that the four teams that helped out would split 20% of the profit. The four teams were swimming, girl's hockey, cheerleading and girl's lacrosse.

Calendars: All calendars have been distributed, Patti was going to e-mail Jen and check on thank you notes. Patti spoke with Jen, all the notes were done and Patti was picking them up and plans on mailing them out.

Membership: Tom Fair updated us saying the cost for the stickers and the mailing was \$797.00. We have received over \$1400.00 so far in membership so the mailing was a success.

Dodge Ball: Cathy told us the date is set for March 14th, 2008 for the second Dodge Ball tournament the time will be 6:30 to 8:30. Cathy will update us next month on what help she needs.

Road Race: Donnie made the point that Todd did most of the prep work for the race last year. We need someone to head up the committee for this. The race is April 11, 2008. We will discuss this topic again at the January meeting.

Scholarship Committee: The board discussed the scholarship committee. We need at least five people to be on the committee and you can't have a student in the senior class. Someone that isn't on the committee will white out the names and then give the application to the committee to review and then meet and vote on the winners. Patti Akrouche, Tom Fair, and Tom Howard all volunteered to be on the committee. We talked about asking Jen Burkes and Marge Ducharme to also be on the committee. They have been contacted and agree to be on the committee.
