December's Minutes: Reviewed and accepted

Treasures Report: December's report reviewed and accepted.

The general account has 18,821.25. The varsity jacket prices have gone up so the

Board decided to place a double order on the jackets before the price goes up again.

We will also be giving four \$500.00 scholarships to four KP student athletes' two boys and two girls.

The school sent a letter asking if we were doing the scholarships again and Patti said she will fill it out and send it back.

Athletic Director: Steve informed the board that he paid the cable 8 bill thru the gate fees.

He is trying to find someone to do the commentary for the filming but so far has had no luck.

We also discussed the fact we are still waiting for cable 8 to get back to us with a proposal regarding filming other sport games.

Infiniti Marketing Firm: Mark Hemphill and Pat Kane from Infiniti Marketing Firm in Rhode Island came and spoke to the board. They were interested in doing a fundraiser for the boosters. It wouldn't cost us anything and they would do all calls to sponsors and donors. The board told them we would consider maybe doing a family comedy show in the spring and we would get back to them. The board decided with the economy the way it is we shouldn't do the fundraiser at this time. We will reconsider doing this at a later date.

Concession Stand: No report... Mary did mention if football wants the concession stand back they can have it. It is a lot of work for a small amount of income. Steve informed us that football doesn't want it back. Patti did say it would be an embarrassment for KP if we didn't have a concession stand opened for the football games.
